

MOTION BY SUPERVISOR DON KNABE

September 27, 2016

Early in the morning on Sunday July 10, 2016, law enforcement received several calls regarding three females in the streets in Santa Ana (Orange County) that were victims of a hit and run. Santa Ana Police Department responded to the location where sixteen-year-old Lameia H. was pronounced dead at the scene by Orange County paramedics. The other two females, who were described as adults, were initially reported to have received minor injuries but media has recently reported that both adult females died on route to and/or at the hospital.

Everyone in the Los Angeles County family who knew Lameia mourns her loss. It is heartbreaking that someone so young who was trying so hard to overcome the many challenges she was bravely facing could have her life taken from her in such a violent way.

The driver involved in the hit and run remains at large.
